

We are updating our guidelines for 50% capacity attendance for religious services, in accordance with the latest public health official policies.

Entering the Church: All parishioners will enter the Church from the Narthex, where the only candle stand is located.

- Please register to attend Divine Liturgy and all other services at www.stgeorge.org – those without computer access should call the Church office to register.
- Please register only for yourself and your immediate family.
- Everyone (above age 2) attending services or otherwise present on Church premises is required to wear a mask. Masks are also available in the Narthex.
- After lighting candles and venerating icons, please follow the direction of the ushers who will seat you.
- Hand sanitizers are available in the Narthex and throughout the Church premises.

By voluntarily entering the church facilities:

- I acknowledge that while the recommended CDC precautionary measures are being taken by the church, it cannot guarantee the safety of every person present.
- I and those attending with me agree to abide by the physical distancing and safety guidelines being practiced in this church.
- I and those attending with me consent to hold the church harmless against any damages or claims regarding my voluntary presence here

Exiting the Church: Everyone will exit the Church or the Chapel using the front side doors.

If you meet any of the conditions noted below, you are requested to not attend in-person:

- Currently testing positive for COVID-19, have a suspected case of COVID-19, or are under instruction by a healthcare provider or any government entity to quarantine or self-isolate.
- Experiencing in the past 10 days the following symptoms fever (100.4° F or above), cough, shortness of breath, fatigue, sore throat, chills, headache, muscle or body aches, gastrointestinal disease, or loss of taste/smell.
- You have been in close contact in the past 10 days with someone currently testing positive for COVID-19 or experiencing flu-like symptoms.
